Instructions for Misdemeanor Forms

All forms on this website are intended solely for use by the Court and attorneys. They are not intended for use by the general public, and should not replace the advice of an attorney.

The attorneys on each case will be responsible for completing the forms. All needed forms should be completed in their entirety prior to submitting them to the Court.

While the forms needed in most circumstances are provided in fillable plea packets, there are certain situations may require additional individual forms. Please consult the following to determine when to use the additional forms:

- Capias Pro Fine Waiver: include in all cases where the defendant is requesting a payment plan
- Certificate of Military Service: include in all cases arising under Title 5 of the Penal Code
- Firearm Admonishment: include in all cases involving family/household/dating violence
- Immigration Acknowledgment: include in all cases where the defendant is not a US citizen
- Name Correction: include if the Defendant's name is incorrect in the charging instrument
- Restitution Order: include in all cases where restitution is requested to be ordered
- State DWI Traffic Fine Waiver: use this form if the defendant is requesting a waiver of said fine

If your case has an offense date before January 1, 2020, if your client will be proceeding to a bench trial, or if your client will be pleading guilty and having a jury assess punishment, please obtain the appropriate forms from the County Attorney.
